Hi there,
Thanks for purchasing from **Unio** | Creative Solutions.

About The File:

"Belvedere - Freebie" is a mono-line font duo which has been inspired by the typography style of two important decades, the never outdated 40's and 50's.

This vintage font family is composed by a mono weight cursive script and a complementary sans-serif. All the characters have been designed to enhance the overall smoothness, which is undoubtedly useful to maximize the readability.

Belvedere is a versatile font family which includes, in the commercial version, more than 400 characters and covers several languages based on the Latin alphabet; the whole font design has also been completed with extensive alternates, ligatures and swashes sets.

This font duo would be perfect for a wide variety of design purposes such as logotype, badges, clothing, poster and much more.

Specifications:

- Files included: Belvedere Script Freebie, Belvedere Sans Freebie

- Formats: .otf , .ttf
