

introducing a new beautiful calligraphy font, Black Pink Summer! This is the monoline version of the black pink signature. Created for summer.

Black Pink Summer is perfect for beautiful logo, elegant logos, upscale packaging, wedding stationery, websites, and any other projects requiring a handwritten and luxurious touch. A wide range of swashes (a-z) and alternates (A-Z) are included so that you can give your logo or name a custom, hand-calligraphy look.

Moreover, Black Pink Summer font was created to look as close to a natural handwritten script as possible by including 109 ligatures. With built in OpenType features, this script comes to life as if you are writing it yourself. You can see it in the picture shown.
