- <https://elements.envato.com/pink-blue-font-LN7AQJ>

Note: All images are just used for preview purpose only and NOT included in the final purchase file.

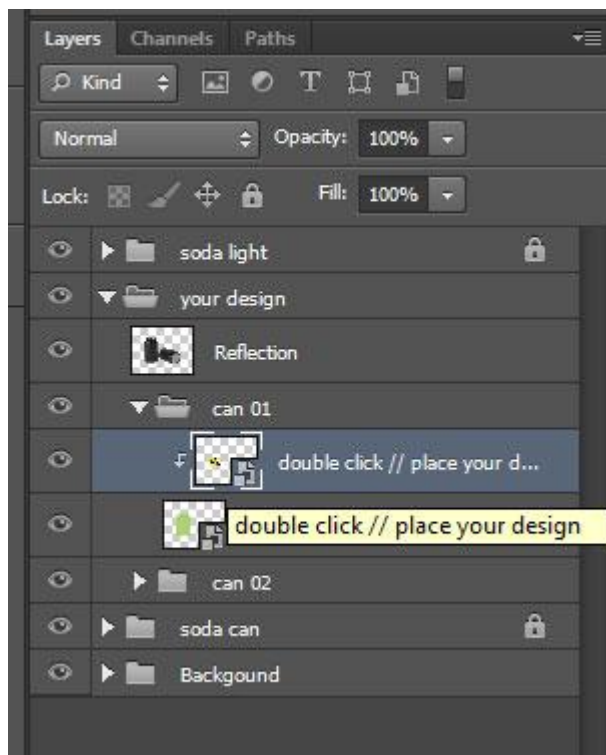

How To Edit PSD File

In order to edit the file, you need to have Adobe Photoshop installed on your system, and the fonts mentioned in the credits installed.

As you can see on the right, the layers are well organized and grouped into folders, which make editing very easy.

So, all you have to do, is select the layer from the right, and then edit it with Adobe Photoshop.

That's all! Enjoy.
